Hand-picked fruit is destemmed and allowed to go through native fermentation with twice daily pump-overs favored over punch-downs to retain freshness. Post fermentation, the wine is aged in a mixture of French, American Oak for 12 months before bottling then aged in bottle for a minimum of 14 months before release.

Practicing Organic

90% Tempranillo & 10% Graciano

About the Winery/Winemaker

The insanely valued, storied wines from Marqués de Tomares are the perfect expressions of traditional Rioja that is still fresh, fruit forward and beautifully balanced. There is an elegance, a seamless stitch that runs through these vintage classics. Some of the wines have a density and a dark, floral brood... others the leather and spicy wool speak of the blend not often found in Rioja at this price range. With a family grape growing history since 1886, Don Román Montaña founded the winery Marqués de Tomares in 1910, and it is still operated by his grandchildren who continue to maintain the wineries tradition both in the winery and in the estate's vineyards.
