

Gañeta

Getariako Txakolina, Spain

Winemaker: Julian Ostolaza y Otra

Region: Getariako Txakolina, Spain

Location: Gipuzkoa, Spain

Appellation: DO Getariako Txakolina

50 year old vines, dry farmed within view of the Atlantic

100% destemmed directly into the press, unsulfured juice is fermented with native yeast in inox at low temperatures to retain as much natural CO2 as possible

Practicing Organic

Hondarrabi Beltza

About the Winery/Winemaker

Perched on the rugged Atlantic coast just west of San Sebastián, Gañeta is a 17-hectare family estate in the heart of DO Getariako Txakolina, where steep slopes, relentless humidity, and maritime soils shape some of Spain's most distinctive wines. Founded by Julián Ostolaza and Itziar in the late 1980s and now led by the next generation, siblings Paula and Enaitz, the estate balances deep local tradition with a forward-thinking approach to vineyard health and sustainability. Working primarily with Hondarrabi Zuri and Hondarrabi Beltza grown on traditional elevated pergolas, Gañeta crafts minimally intervened, stainless steel-fermented Txakolinas that are bright, saline, slightly pétillant, and unmistakably Atlantic—wines that shine alongside seafood and capture the spirit of the Basque coast in every glass.
