About the Winery/Winemaker

A family estate located in Savigny-les-Beaune in Burgundy. The family has been growing vines and ageing wines for five generations. The domain's first vineyard parcels were purchased in 1914 and for years were cultivated by Louis with the help of his wife and daughters. They are committed to respecting the vineyards, producing high-quality wines and welcoming visitors to their cellars. In recent years sisters Juliette and Caroline have taken the reins from their father Louis running the estate themselves. All of the vines are planted in the commune of Savigny-les-Beaune, in the Côte de Beaune. They mainly produce Savigny-les-Beaune Premier Cru wines (Aux Clous, Les Hauts-Jarrons, Les Lavières and Les Talmettes) as well as a very rare white wine from Savigny-les-Beaune Village. Since 2015 the entire domain has been organic.
