About the Winery/Winemaker

Born in the sun-soaked hills of Paso Robles and Certified Organic from vine to bottle, Little Disco is bold, rhythmic, and unapologetically fresh. Crafted with conscience and serious groove. No chemicals, no shortcuts, just pure Paso vibes in a bottle. The palate delivers classic California Cabernet Sauvignon while the branding brings fresh energy to the category. Little Disco will make friends with every generation around the table. Expect tunes of dark cherry, dusty cocoa, and black pepper and a bass-line of structure that stays on the palate. It's a wine made for vinyl nights, rooftop hangs, and dinner parties where the playlist matters as much as the menu.
