temperatures. Malolactic fermentation also takes place in cement vats, light racking and aged for 4-6 months

Certified Organic

100% Cabernet Franc

About the Winery/Winemaker

Domaine de l'R is the fruit of a family legacy. The estate was revived in 2007 with the expertise of Frédéric Sigonneau. From the moment he took over the family vineyards in Cravant-les-Coteaux, Frédéric Sigonneau committed himself to organic viticulture and winemaking, respecting nature as much as possible. Located in the heart of the Chinon appellation, Domaine de l'R offers you certified organic wines. Above all, Domaine de l'R is about a deep respect for the terroir and authenticity. In Frédéric's own words, "Domaine de l'R is a viticulture in harmony with the elements that compose it: the soil, the water and the air."
